

Join Us For Breakfast

Dear Wings of Faith Family,

As you may realize, Christmas will be upon us soon. The chance to share the joy of the birth of our Savior is going to be here before we know it. We hope to share that joy with up to 10,000 children this year across five U.S. States and Mexico. Our best gift is "For God so loved the world, that He gave His only Son..." (John 3:16)

In 2005, eleven years ago, we served ten locations/ministries with Christmas Airlift. We served twenty-nine locations in 2015 and are thanking God daily for the opportunity and blessings to serve this many folks in 2016. The challenge of greeting each of these children with a message about the Christ child is monumental and can only be accomplished with the help of many hands, including ones like yours.

Please consider helping Wings of Faith this fall in preparation and delivery of modest toys for literally thousands of children. This assistance can be in many forms: from gathering toys and small blankets, hygiene items, etc. at your local church, speaking to groups that might want to adopt this project, helping in our warehouse, praying for "our" children, or helping to pay delivery costs for our trucks and aircraft to visit these remote locations.

Enclosed you will find a pre-addressed envelope that can be returned with your donation. And should you be able to volunteer even a few toys or a few hours to help out, email us at info@flywithwings.org.

Blessings continue to pour into Wings of Faith from supporters such as Giving Children Hope, Serve-One, Operation

It will be our very distinct honor to have **Susan Curo**, founder of Tribes4Christ on the La Jolla Reservation of San Diego County, as our special guest speaker at our **September breakfast fellowship**. Susan started this ministry to her own tribe, representing Christ to them in love.

We hope you can join us to hear first-hand testimony of this ministry!

School Supply Project

The Back Pack School Supply Project 2016 was completed by Labor Day and was a huge success!

More than 3,400 children were provided with school supplies including paper, pencils, pens, erasers, rulers, etc. Almost all of it was delivered to them prior to the middle of August in preparation for the new school term.

Many children wrote letters of thanks and we have lots of photos posted on our website, FlyWithWings.org. In some cases, we were able to provide new shoes, clothes, and lunch snack items along with the school supplies.

Navajo children near the Continental Divide were happy to get school supplies from Wings of Faith and YOU!

These children in Fresno, Calif. were likewise thrilled with their back to school supplies. Thank you for your generous support!

29:11, Vans Shoes, Soles4Souls, Feed the Children, Gleanings for the Hungry, The Happy Factory, Clothing Ministry of Lake Havasu City, AZ, Stussy, Ben Thrasher, Secura Industries, Obey Clothing and many more.

We are struggling to keep up with delivery, sorting, packaging and dealing with a huge bounty. Please consider a donation of your time or treasure to help us move these items to where they are most needed in a timely manner.

As you may be aware, our new hangar/warehouse in Holbrook, Ariz. is operational! We have the most prominent building on the airport and are blessed beyond measure with adequate storage for all types of supplies and a safe haven for our aircraft and vehicles in times of afternoon thunderstorms and winter weather.

We will have the insulation completed this fall. After years of prayer and consideration, we endeavored to seek God's face and trust in Him to finish this project. While not completed with electricity, the building is in operation and already serving a mighty God!

Praise Him for his provision, guidance and forethought. God is at work!

Blessings on you and yours,

 Tom Leedom

P.S. Just \$5 will get a modest gift to a child on a faraway reservation or across the border in Mexico. Please prayerfully consider sponsoring five or more children this year for Christmas!
