Velma Schlater	Older Stick Home
Naomi Howard	Stick House
La Jolla Fire Dept.	Doublewide Trailer
Tribes 4 Christ Property	Weed Whacking
Tribal Hall Entrance Beautification Day	Planting

## Tribes 4 Christ 2016 Ministry Housing Rehab Project Descriptions

1. **Cathy Rodriguez** is a senior living on the La Jolla Indian Reservation. She is a tribal member and is on disability. The home she lives in is over a hundred years old and is in much needed repair. Her only request was help with her bathroom flooring. The measurements are eight feet five inches' x seven feet nine inches. If your church family would like to come to the La Jolla Indian reservation on a short missions trip to help Cathy? Please let us know that you are interested so that we can schedule a date for a work party.

2. **Sherry Miner** is also a senior living on the La Jolla Indian Reservation. She is a tribal member and is living below the poverty level. She has asked for restroom repairs, which are extensive. She needs help with a complete toilet installation and flooring around the toilet area. Sherry also needs help with basic cleaning in different areas of her trailer home. She does not have the money to purchase deep cleaning supplies nor is able to perform the tasks. Please pray about Sherry's situation and let us know if the Lord is leading you to have your church be apart of this summer's short term's mission's trip.

3. **Velma Schlater** is also a tribal member and senior living on the La Jolla Indian Reservation and has for asked help in weed whacking her property and tree cutting. She also needs help with window washing. She has windows that are about 15 feet high and is unable to do the work. She lives alone and isn't physically able to do any these tasks on her own. Please pray about helping Velma this summer.

4. **Naomi Howard** is a single parent of three children and is on disability. She is living in a HUD home on our reservation and is also a tribal member. Naomi is required to paint her house but she is unable to pay for her monthly living expenses along with buying paint and hiring painters. She is now out of compliance with HUD. She is physically unable to do the work and needs our help. We are praying that you will consider Naomi as a short term missions work party project this summer.

5. **La Jolla Indian Fire Department** has been working in our community for many years. They are the first ones called in emergency situations. They work on and off the reservation saving lives every day. Their office is here on the La Jolla Indian Reservation and they have a broken down shed that we think we could clean out so that they could use it for storage. After the workday we would also like everyone to share in putting on a luncheon to

show our volunteer fire department how much we appreciate them. We believe that this would be such a witness to not only our Fire Department volunteers but also to our whole tribe. Please pray about showing the love of Christ to such a selfless group of men.

6. **Tribes 4 Christ Ministry Property** is in much needed upkeep. We need help in weed whacking and getting the property ready for our annual summer MOVIE NIGHT UNDER THE STARS. Movie night won't be until the end of summer so we have time to get ready. The weeds are high and our movie screen needs to be rehung. Please pray about being apart of getting this ministry property ready for the biggest ministry event of summer. Movie night will include a barbecue dinner and you are all invited to join Tribes 4 Christ and our reservation residents for a time of Food, Fellowship, Popcorn and a movie under the stars. Our church partners come together each year and help with this much needed outreach in providing food and drinks along with what ever else is needed to make this a time of honoring our Lord Jesus with our gifts to our local tribes and community members. Please let us know if you would like to be apart of our work party or if you are unable, let us know if you would like to attend our MOVIE NIGHT UNDER THE STARS.

7. **La Jolla Tribal Hall Beautification Day** each year Tribes 4 Christ has a work day to help our tribe by planting shrubs and flowers around our tribal hall. This year we would like to spruce up the entrance area with flowers and plants. Please pray about helping this year be a witness for Jesus.
